## Chapter 1 by Luna

(Each sentence has to correspond with the last and rhyme. No limit on the number of sentences.)

Tick, tock, tick tock.  
I glance at the clock.  
When will the school day end?  
So that I can go frolic and play around the bend?  
The bell rings and I run and shout.  
I hurry and run, but my breath is running out.

## Chapter 2 by -

Tick, tock, tick, tock.  
I find myself at the dock.  
Many hours later,  
but there's nothing greater.  
Nothing greater than the token,  
The token of my heart being broken.

## Chapter 3 by Jonnie Green- Movie Maker Jedi and Super Awesome Story Writer (P.S. This is a SECRET identity)

Tick tock, tick tock...

I leave my shoes on mossy rock.

I wade into the flowing tide...

I couldn't change this if I tried.

My heart was pounding like

In the west now sets the sun.

**Chapter 4 by Professor Clivette Dove**

Tick tock, tick tock...  
Lots of money I have got.  
Spend it all on brand new dolls...  
Sometimes stopping by the mall.  
But deep in side I am alone...  
Dolls fill up my giant home.

**Chapter 5 by Öwleä,le**

Tick tock, tick tock...  
When will I pick this lock?  
I'm even a Thief,  
so I'll get a lot of grief.  
Get it after an hour  
to finally sit on this tower.

**Chapter 6 by**

Tick tock, tick tock,  
after on the dock,  
the lock has been picked,  
I sit, and now i'm really ticked.  
There was no tower,  
So now I cower.  
I don't know what to do,  
I look right straight through.

**Chapter 7 by**

Tick tock, tick tock.

Through the glass at a fox  
It stares at me,  
And now I see,  
I am not worthy of these,  
not worthy of the mystical breeze.

Hidden beyond, hidden here,  
forever more to disappear.

### Chapter 8 by

Tick tock, tick tock.  
I sit far behind as I stalk,  
I stalk the prey,  
for now I may  
have to hunt.  
So I confront  
the great beast,  
Knowing it will be my last feast.
